GLOBAL SUPPLIER OF

3M SCOTCHGARDTM MULTI-LAYER

PROTECTIVE FILM 1004

PEEL AWAY GRAFFITI ONE SHEET AT A TIME

3M SCOTCHGARD™ MULTI-LAYER PROTECTIVE FILM 1004

Four separate layers of optically transparent, pressure-sensitive polyester film tape designed to protect surfaces from intentional and unintentional damage caused by scratching, etching, abrasion and graffiti. A damaged film layer can be quickly and easily removed, exposing a fresh protective sheet.

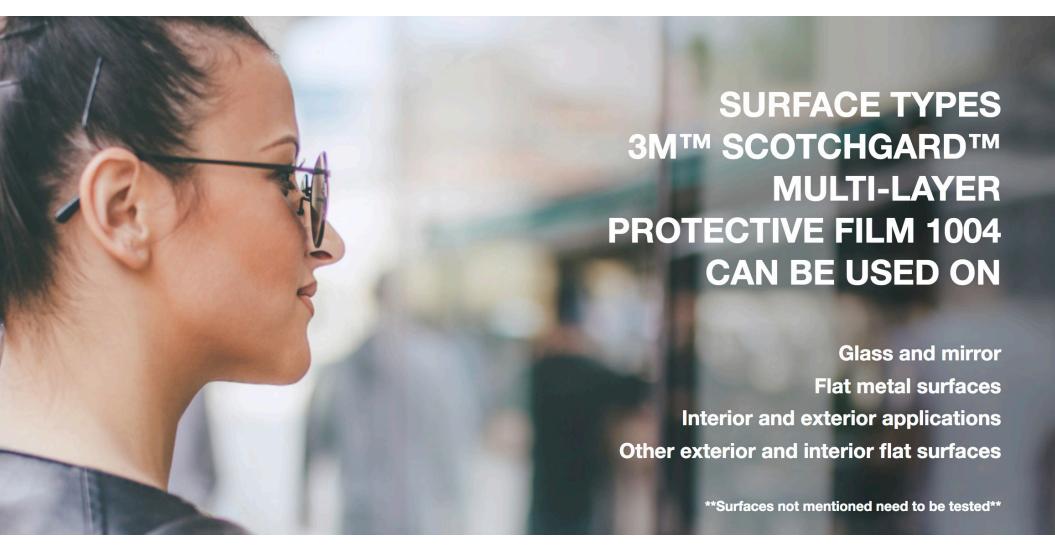

FEATURES & BENEFITS

FOUR LAYERS OF PROTECTION

CLEAN REMOVAL

SCRATCH PROTECTION

PROTECTION FROM GRAFITTI

Bank Machine Film

Protection from acid, scratches, permanent marker and hard water stains

FOUR LAYERS OF PROTECTION

Competitive films offer protection for a single incident. Only 3M Scotchgard™ Multi-Layer Protective Film offers you four individual peel-away layers with a single installation. This film also provides:

- Optically transparent view
- Clean removal no adhesive residue left behind
- 20 sheets per case/custom sizes

A damaged film layer can be quickly and easily removed, exposing a fresh protective sheet

Application Kit

INP GROUP
